SASCE VALUE PROPOSITION – BENEFITS – MEMBERSHIP

The Southern African Society for Co-operative Education (SASCE), established in 1985, is a non-profit organization dedicated to the integration of academic studies with quality work integrated learning (WIL) through collaborative partnerships in support of the National Skills Development Strategy 111.

SASCE is a professional association that represents practicing professionals and providers at public and private FET's, UoT's, commerce and industry, government and communities. SASCE facilitates national oversight and promotes a collaborative environment in support of graduate work-readiness and employability.

SASCE is the forum for members to share experiences and to formulate policy linked to quality and best practise provision. SASCE serves as an enabling and lobbying space to influence change and to enhance the profile of WIL within institutions and workplaces.

BENEFITS

Partnerships and membership of SASCE has the following benefits to students, industry and academic practitioners

Student benefits include:

- valuable life and work experience prior to graduating
- consolidating the relationship between theory and practice
- personal growth – in maturity, responsibility, self-awareness and confidence

Employer benefits include:

- a sustainable HR strategy for identifying and developing future employees
- additional assistance at busy times of the year
- access to expertise within education institutions

Academic benefits include:

- developing and maintaining closer industry links
- understanding industry needs so as to better meet them
- opportunity for collaborative and relevant research

Thank you for becoming a partner in the education of Southern Africa's youth!
