

REFRESH YOUR CAREER

Are you a high potential tertiary student and want to start an exciting career in the Bottling Industry?

BURSARIES 2018: ENGINEERING (ELECTRICAL, MECHATRONIC) / LOGISTICS - MANAGEMENT

BURSARY PROGRAMME

Coca-Cola Namibia Bottling Company offers bursaries to students to acquire the necessary qualifications in order to fill future positions within the company, thereby developing future Namibian work force capability and supplementing our Talent Pipeline.

CCNBC expects absolute commitment and dedication from students receiving tertiary financial assistance. Upon completion of study, students are required to render one year's service in return of every year of financial aid received from CCNBC after acquiring the relevant qualification.

SCOPE OF BURSARY

The programme will cover the following: Tuition fees, Registration fees, Examination fees and certain set Accommodation fees. Successful candidates will be expected to work at the company during holidays as well as take up formal employment with the Company after the successful completion of studies.

REQUIREMENTS

Namibian Citizenship • Currently studying a 4-year Degree at a Tertiary Institute in Namibia or South Africa • Third and Fourth year students only • Above 70% average academic performance during the 2017 academic year.

TO APPLY

A written motivation with comprehensive CV and academic records must be submitted through our website – www.cocacolasabco.com and click the "careers" icon, then select Graduate Opportunities. Only applications received via the career website will be accepted (attach relevant documents to the online application).

Enquiries: Thelma Maritz - Telephone +26461 320 7000

Important: Applications close at 17h00 on 19th January 2018 • Only shortlisted candidates will be contacted • Consider your application as unsuccessful if no feedback is received within one month of closing date • No documents will be returned.

General Requirements for all applications: Written & oral ability of English (Proficiency in an indigenous language will be an added advantage) • Computer skills in Microsoft Office applications • Preference will be given to previously disadvantaged students.
