

NAMIBIA UNIVERSITY
OF SCIENCE AND TECHNOLOGY

Cooperative Education Unit

Work Integrated Learning (WIL) Internship Opportunity

Company: **Make-IT in Africa (under GIZ)**

Positions: Innovation Ecosystem Support
Intern (x1)

Educational Requirements

- 3rd Year Bachelor of Business Management, Communication, Marketing
- WIL eligible NUST students only

General WIL/Internship Description

The objective of the internship is to provide valuable hands-on experience in supporting and promoting innovation in the development of cooperation. The intern will contribute to identifying growth opportunities and engaging stakeholders to foster community management, collaboration, and innovation. The internship aims to deepen the intern's understanding of the innovation ecosystem, enhance their skills in supporting innovation initiatives, and build relationships with stakeholders. Ultimately, the intern's responsibilities will strengthen collaboration and drive innovation at Make-IT in Africa.

Requirements

The successful candidate should have proficiency in Microsoft Office Suite and familiarity with online collaboration tools, good communication skills, research and analytical skills. The candidate should be self-motivated, knowledge of the innovation ecosystem, networking and fostering collaborations. Knowledge of German, French and Portuguese will be beneficial. The candidate should have experience in the industry.

Application Procedure

Applications in writing, accompanied by an updated CV, giving full details of work experience (if any), certified copies of identification documents, qualifications, academic records and Grade 12 certificate, should be sent to: **Make-IT in Africa, GIZ, PO Box 8016, Windhoek, Namibia. Please submit your applications via email only to: pbatholmeus@nust.na**

Closing Date: Monday, 12 June 2023

Time: 13:00

Assumption of Duties: As soon as possible

No applications will be accepted after 13:00 and only short-listed candidates will be contacted.
